DILIGENCE ASSESSMENTS

- **Evaluate CEO Candidates** – Assess leadership capability, track record, and alignment with private equity growth objectives.
- **Analyze Strengths & Risks** – Identify proven areas of impact—strategic transformation, financial management, team-building—and surfaced developmental considerations.
- **Test Private Equity Fit** – Measure candidates' ability to thrive in high-growth, high-accountability PE environments.
- **Benchmark Performance** – Review financial and operational results against target metrics to validate candidate impact.
- **Provide Actionable Recommendations** – Deliver a clear “hire with reservations” recommendation with structured support plans to maximize success.
